EARNED INCOME TAX CREDIT & PARENTING

- Are you a parent of at least one child 12 or under?
- Do you earn less than $18/hour?
- Have you gotten a raise in the last 3 years?

If so, you may be eligible to participate in a research study examining the use of EITC and other public benefits over time. This research will be used to inform efforts to improve supports for parents.

Participation includes two interviews by phone or video chat. For each of the two interviews you will be compensated $80.
